VIDEO INSPIRATION

• What does 125 years of IAOM mean to you?
• How has your career in milling changed over the last 5, 10, 15, 20, 25+ years?
• What do you think the future of milling looks like in the next 25 years?
• What has been the biggest change in milling during your career?
• What is your hope for the milling industry?
• How has IAOM helped to shape your career?
• Take the opportunity to record your own congratulatory message to IAOM.
• What do you think the founders of IAOM would be most proud of that the association has accomplished?
• What do you think has been IAOM’s greatest accomplishment?
• What do you see as IAOM’s legacy?
• What do you think IAOM still has to accomplish?
• What is your fondest memory from an IAOM event, course or activity?
• Where do you see IAOM headed as it moves toward its 150th anniversary?
