127TH ANNUAL IAOM CONFERENCE & EXPO APRIL 17-21, 2023
MINNEAPOLIS, MINNESOTA, USA

Filling the Bin for the Future

Filling the Bin for the Future

IMEF Mission

Strengthen the grain milling industry through educational programs, professional development efforts and research projects.

Priorities

- Develop multimedia online educational courses
- Create industry recruitment materials
- Provide IAOM Conference travel grants for professional speakers
- Provide assistance for educational material translations
- Support the next generation of millers through scholarships

IMEF Auction Activities

ACHIEVEMENTS

- Creation of Milling Technician certificate program
- Revision of IAOM Correspondence Course in Flour Milling
- 23 K-State students have received over \$83,000 in scholarships
- Translation of Correspondence Course into Arabic and Spanish
- Travel grants to Annual Conference Speakers
- Development of Fundamentals of Milling textbook
- 10 professionals have received scholarships to enroll in the Correspondence and Resident Milling courses

2022-23 PROJECTS

- Conduct Successful Auctions in Minneapolis
- Work with PR Initiative Committees to create materials for industry promotion
- Develop Scholarship Program for MT Certificate
- Translate Correspondence Course into French

2022-23 IMEF SCHOLARSHIP RECIPIENTS

IMEF PROFESSIONAL SCHOLARSHIP

MUHAMMAD ISHFAQ AL IMRAN FLOUR & GENERAL MILLS PVT. LTD.

IAOM HQ ACTIVITIES

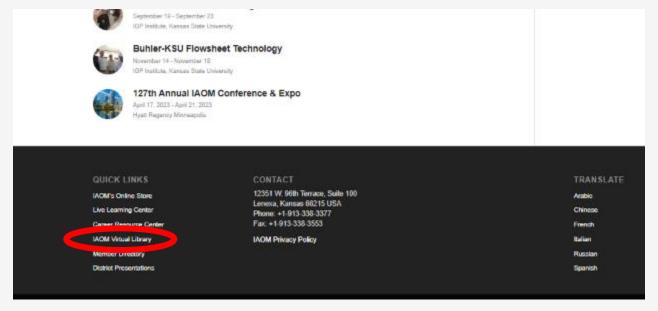

- August 10 | IAOM Joint Committee Meetings, San Diego
- August 16-18 | Electrical Training Course, Mount Joy, PA
- August 30-September 1 | Flour & Dough Analysis, KSU
- September 12-16 | IAOM-KSU Basic Milling Principles, KSU
- September 19-23 | IAOM-KSU Advanced Milling Principles, KSU
- September 20-22 | IAOM Packaging Course, Atlanta
- October 16-18 | Mill Maintenance Course I, Kansas City
- 3rd Wednesdays | Women in Milling Virtual Roundtable

IAOM VIRTUAL LIBRARY

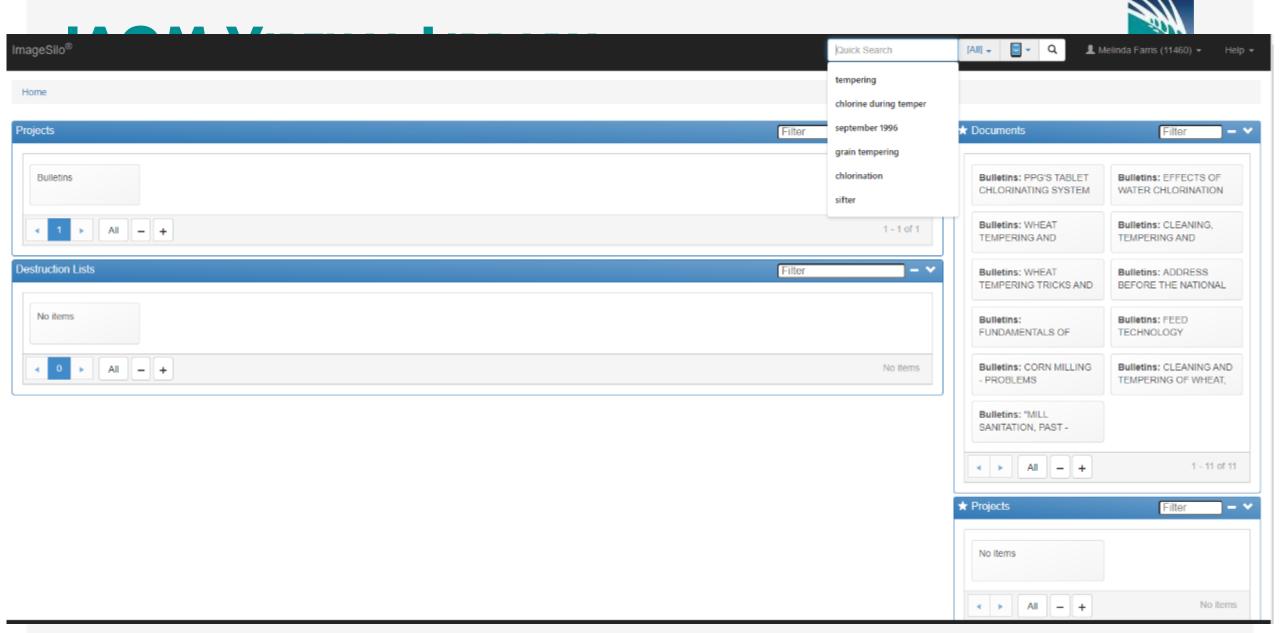

- All Technical Bulletins, dating back to 1923 now available online in searchable database
