Greetings:

The 66<sup>th</sup> Annual Conference of the Western Canadian District of the International Association of Operative Millers (IAOM) will be held at the Sheraton Cavalier Hotel, Calgary AB. Sept 12-14, 2018

IAOM. is devoted to advancement of technology in the flour milling, cereal and seed processing industries. Our annual conference provides an opportunity for professional development for our members.

As an IAOM member, or someone with related interests, I hope you plan to attend this year's conference. The planning committee has arranged for speakers to discuss topics related both to technical milling and to related equipment. In addition, the annual business meeting will be held for the IAOM Western Canadian District.

In addition to these technical matters, we invite you to take the opportunity to network with colleagues during such activities as the pre-conference IAOM Western Canadian District Golf Tournament at the nearby **Silverwing Links Golf Club**, the Opening Evening Reception, and Casino / Evening Banquet. Companions are invited to participate in a special program on Thursday and join with the conference group on Wednesday and Thursday evening events and on Friday for breakfast and an industry tour.

I look forward to seeing you in Calgary at the IAOM Western Canadian District 66 Annual Conference!

Sincerely,
