Conference 2023**

**69th Annual Conference
June 14-16, 2023
Fairmont Hotel
2 Lombard Place
Winnipeg, MB R3B 0Y3**

Greetings!

The 69th Annual Conference of the Western Canadian District of the International Association of Operative Millers (IAOM) will be held at the Fairmont Hotel in Winnipeg, MB June 14-16, 2023.

IAOM is devoted to advancement of technology in the flour milling, cereal and seed processing industries. Our annual conference provides an opportunity for professional development for our members.

As an IAOM member, or someone with related interests, I hope you plan to attend this year's conference. The planning committee has arranged for speakers to discuss topics related both to technical milling and to related equipment. In addition, the annual business meeting will be held for the IAOM Western Canadian District.

In addition to these technical matters, we invite you to take the opportunity to network with colleagues during such activities as the pre-conference IAOM Western Canadian District Golf Tournament at the nearby **Assiniboine Golf Club**, the opening Evening Reception and Casino night, the Banquet on Thursday evening and tour/product tasting at the Little Brown Jug Microbrewery. Companions are invited to participate in some off-site activities on Thursday and join with the conference group on Wednesday and Thursday evening events. There will also be a technical demonstration session hosted at Cereals Canada on Friday morning that we hope will also be informative and fun for attendees.

I look forward to seeing you in Winnipeg at the IAOM Western Canadian District 69th Annual Conference!

Sincerely,

**Norbert Cabral
Chairman IAOM Western Cdn District**
