

Greetings!

The 70th Annual Conference of the Western Canadian District of the International Association of Operative Millers (IAOM) will be held at the Ramada Plaza in Regina, SK June 12 and 13, 2024.

IAOM is devoted to advancement of technology in the flour milling, cereal and seed processing industries. Our annual conference provides an opportunity for professional development for our members as well as a time for fellowship amongst industry peers.

As an IAOM member, or someone with related interests, I hope you plan to attend this year's conference. The planning committee has arranged for speakers to discuss topics related both to technical milling and to related equipment. In addition, the annual business meeting will be held for the IAOM Western Canadian District.

In addition to these technical matters, we invite you to take the opportunity to network with colleagues during such activities as the pre-conference IAOM Western Canadian District Golf Tournament at the nearby **Deer Valley Golf Club**, the opening Evening Reception and Casino night, during the Banquet on Thursday evening or the following reception at Rebellion Brewery. Companions are invited to participate in some off-site activities on Thursday and join with the conference group on Wednesday and Thursday evening events.

I look forward to seeing you in Regina at the IAOM Western Canadian District 70th Annual Conference!

Sincerely,

Albien Guna
Chairman IAOM Western Cdn District
