**Instructions for Arena Entry and Tickets:**

\*\*Please note tickets can be picked up at the Box Office on the day of the event. An email will be sent with details prior to the event.

After picking up your tickets at the Box Office, the fastest entry can be obtained via Entrance B (east doors) which is located at the Southeast corner of the arena where you then can take the elevators (SE area) to Level 3 where the Suite is located. This is the premium ticket entry. See below for Entrance B location (top of picture is North). You may also access the arena via any of the other Entrances (depending on where you park) but must walk around interior perimeter to the southeast side and take the elevators (SE area), as these are the only elevators to Level 3. If there are lines, you might consider walking around to Entrance B, as the premium ticket entry should avoid lines.

**Directions, Parking, and nearby Lodging information:**

For Directions and Parking information, [please click here](#). There is city parking around the arena.

If you need a hotel room, there are several in the area such as [Courtyard Wichita at Old Town](#), [Fairfield Inn & Suites Wichita Downtown](#), [Hotel at Old Town](#) to name a few. [Please click here](#) to view a larger listing and information for nearby hotels. We have not blocked any rooms at these hotels, and you will need to contact them directly to make reservations.
