IAOM Plays Leading Role in FORTIFICATION EFFORTS

At the 2005 Flour Fortification Initiative (FFI) Leadership Forum in London, IAOM members Scott Montgomery, Cargill's vice president of operations dry milling/citrus, and Nicolas Tsikhlakis, chief operations officer and partner of Modern Flour Mills & Macaroni Factories Co., were chosen to serve on the FFI Executive Management Team, along with IAOM Executive Vice President Gary Anderson.

The Executive Management Team is comprised of nine members of the

activities and persuade governments, industry and civic organizations to adopt fortification practices. Leaders Group organizations have overlapping interests and activities in more than 70 countries around the world.

IAOM Global Strategies Committee Chairman Tim Burleigh, Colorado Global Resources, and IAOM member Dr. Jeff Gwartz, JAG Services, Inc., are also actively involved in the work of FFI. Both serve in a staff capacity for the Training and Technical Support Group, which is chaired by IAOM's Anderson
