Ohio Valley	OFF	ON	ON	ON	OFF	ON	ON	ON	OFF	ON	ON	ON

Keep in mind the Districts do not operate on a year-end calendar. Elections typically are in the 3rd quarter of the year, therefore think of each column heading indicating 4<sup>th</sup> quarter of 2016 to 4<sup>th</sup> quarter of 2017 and forward on to 4<sup>th</sup> quarter of 2017 to 4<sup>th</sup> quarter of 2018 and etc...

There are no changes to election terms. Board member terms continue to be 3 years and a person may be elected to a second 3 year term. At the end of a Board member's 3-year term a District has two election choices:

1. The District immediately re-elects the same person to a second 3-year term. (this person must wait one year before serving their official second 3-year term on the Board)
2. The District immediately re-elects a new person to their first 3-year term (this person must wait one year before serving their official 3-year term on the Board)

The non-official Board member representing the "Off" District will not attend Board meetings, but would be first choice to serve as an alternate if a Board member from Group 3 cannot attend a Board meeting. This temporary replacement would have full voting rights as do current temporary fill-in replacements for a Board member. If the "Off" District alternate is unavailable to attend a meeting, the Board member should simply choose a fill-in from their District leadership.
