IAOM District Meeting and Conference **Installation of Officers** *(script for installing officer)*

[Installing officer to ask newly elected officers to face the podium]

You have been singled out by the members of the International Association of Operative Millers to serve as officers of the _____ District(s) for the coming year. This is an honor signifying your leadership ability. The Association will be measured by the way in which you conduct its affairs. Allow all members to express their views and opinions at the proper time and in a proper manner. While administering your offices the motto of the International Association of Operative Millers - Proficiency, Fellowship and Cooperation - must be foremost in your mind at all times. Do you jointly, and individually, promise to discharge these obligations to the best of your ability? If so, say, "I will."

[Installing officer to ask newly elected officers to face the audience]

Members of the International Association of Operative Millers, I congratulate you on your choice of officers. Any company or organization is only as good as its management. Progress is implied by your choice. These officers, dedicated as they are to the precepts of the IAOM, cannot accomplish anything alone. They need your help; your encouragement; and your support as a team. The result can only be a greater and more valuable association.

[Installing officer to conclude the installation with the following statement]

Officers of the _____ District(s), I declare that you are duly installed. May I be the first to congratulate you...
