

2026 MEDIA KIT AND PLANNING GUIDE

INTERNATIONAL
MILLER

A MAGAZINE FOR THE INTERNATIONAL GRAIN MILLING COMMUNITY

IAOM.ORG

IAOM's publications and digital platforms are where the global milling community comes to learn, solve problems, and stay informed. While they're here, they're looking for exactly what your company provides – technical expertise, innovative solutions, reliable equipment, and industry-leading services.

IAOM members turn to us for:

- operational **best practices**
- **technical** guidance
- **product and service updates**
- **training** opportunities
- **global perspectives** on milling challenges

When they engage with IAOM content, they know they're in the right place – a trusted, industry-specific environment without distractions or irrelevant information. IAOM is where milling professionals come when they need credible guidance, practical insights, and connections that strengthen their business.

Why Advertise With IAOM?

Your customers are in many places, but nowhere are they more focused on the grain milling industry than within IAOM's communications ecosystem. Through our print and digital platforms, you can reach decision-makers across 90 countries, including plant managers, mill operators, engineers, technical directors, and senior executives.

Our Primary Advertising Platform

- International Miller Magazine

IAOM's quarterly magazine delivers the technical depth and global perspective milling professionals rely on. Evolving from the former Technical Bulletin, The International Miller provides:

- industry **analysis**
- operational **insights**
- **management** strategies
- feature stories and **leader profiles**
- updates from IAOM committees, regions, and IMEF

With a circulation of 1,500 readers – and expanded distribution at IAOM conferences worldwide – *International Miller* offers targeted, year-round visibility.

Digital Reach

IAOM's website, e-publications platform, and weekly email communications extend your presence beyond print. Advertisers benefit from visibility among highly engaged members seeking technical content, safety guidance, educational resources, and global milling updates.

Targeted, Focused, Global

Whether you choose a single issue or a full-year advertising package, IAOM ensures your message reaches professionals who are serious about improving their operations and strengthening their teams.

*You're in the right place – now show our global milling community
what you can bring to their mills.*

COPY AND CONTRACT REGULATIONS

International Miller (IM) is published quarterly. All space contracted to be used within one calendar year, or frequency discount will be forfeited and ads will be billed at their actual frequency. Advertiser/agency to supply all material. Advertiser and agency assume responsibility for all content of advertisements printed, as well as any claims arising therefrom against the publisher. Copy and images which do not meet material requirements as described on the *IM 2026 Media Guide* are subject to additional production charges. Notwithstanding anything contained herein to the contrary, it is expressly agreed between the parties thereto that the advertiser's damage, in the event of any error in publication by the publisher shall be limited to the cost charged by the publisher for said materials. Agencies must add the amount of commissions to rates stated on the Media Guide and collect from the advertiser. Net 30 days. Prepayment may be required. Rendering bill to an advertising agency shall not release advertiser in case of nonpayment by agency. Nonpayment will result in ads being barred from *IM* until such time that all outstanding bills are paid. Publisher reserves the right to hold advertiser and/or its advertising agency jointly and severally liable for such monies as are due and payable to the publisher. Publisher reserves the right to refuse any advertising. The advertiser is responsible for all legal fees involved in collecting overdue balances.

CANCELLATIONS

Cancellations must be received in writing by the space reservation deadline. Failure to send materials does not constitute cancellation.

I understand and agree to the above contract regulations.

Signature (required)

Date
