An invitation to **SHOWCASE** your knowledge, products and services at the 9th Annual IAOM Southeast Asia Region Conference & Expo

IAOM Profile

The International Association of Operative Millers (IAOM) has been the leading provider of educational resources and training for the grain milling industry since its foundation in 1896. Through conferences, workshops, correspondence courses, short courses and publications, IAOM has played an integral role in the continued education and training of the professionals in this industry for 120 years. IAOM is an individual-based member organization with a 1,800-strong membership representing over 100 countries worldwide. With 14 districts and regions around the world, IAOM provides an international forum for networking; the exchange of ideas; technical and educational opportunities; and the discovery of new products and services.

Why Exhibit at the IAOM Expo?

IAOM's trade shows are always well attended and viewed as the industry's premier event in the targeted region. But, if that's not enough...

- It is a profitable investment. Your representatives can squeeze months of sales calls into just two productive days – gaining valuable direct exposure with the decision makers, and forming strong bonds and connections.
- Industry professionals count on the IAOM Expo to stay abreast of the latest trends. Showcase your new products and services by introducing a company innovation to an entire audience of prospective customers and gaining instant feedback.
- You will reinforce your company image in the minds and practices of industry professionals. As an IAOM exhibitor you will benefit from excellent name recognition among the top milling companies in the world.
- At the 9th annual conference, your company will get the chance to explore a new market and meet potential clients within the familiar surroundings of an IAOM Conference & Expo.

Traffic Generating Features

Exceptional exhibit hall attractions to increase traffic to your booth have been scheduled.
